

***Congratulations!***

Today is your day  
You're off to Great Places!  
You're off and away!

You have brains in your head.  
You have feet in your shoes.  
You can steer yourself in any direction you choose.

You're on your own. And you know what you know.  
and YOU are the guy who'll decide where to go.

You'll look up and down streets. Look 'em over with care.  
About some you will say, "I don't choose to go there."  
With your head full of brains and your shoes full of feet,  
you're too smart to go down any not-so-good street.

Out there things can happen and frequently do to people as brainy and footsy as you

And when things start to happen, don't worry.  
Don't stew. Just go right along.  
You'll start happening too.

*Oh! The Places You'll Go!*

You'll be on your way up!  
You'll be seeing great sights!  
You'll join the high fliers who soar to high heights

You won't lag behind, because you'll have the speed. You'll pass the whole gang and you'll soon take the lead. Wherever you fly, you'll be best of the best. Wherever you go, you will top all the rest.

Except when you don't because sometimes you won't.

I'm sorry to say so but, sadly, it's true  
that bang-ups and hang-ups can happen to you.

You'll get mixed up, of course, as you already know.  
You'll get mixed up with many strange birds as you go.  
So be sure when you step. Step with care and great tact  
and remember that Life's a Great Balancing Act.  
Just never forget to be dexterous and deft.  
And never mix up your right foot with your left.

And will you succeed?  
Yes! You will, indeed!  
(98 and  $\frac{3}{4}$  percent guaranteed.)

Today is your day!  
Your mountain is waiting  
So...get on your way!
