SPEAK & SAVE PLAN

A rustic kitchen with a wooden ceiling, a wooden door, and a kitchen counter with a sink and window. The scene is bright and airy, with natural light coming from a window. The kitchen features a white countertop, a wooden sink, and a window with a view of trees. On the counter, there are various items including a vase of sunflowers, a bowl of oranges, a cutting board, and a soap dispenser. The ceiling is made of dark wood beams, and the walls are white. A wooden door is visible on the left side of the image.
