"HOW TO BE A NEW ABOLITIONIST:  
WHITENESS STUDIES & THE ORIGINS  
OF ANTIRACIST EDUCATION"

THURSDAY SEPT 17, 2020 AT 4:00PM

Lea Borenstein, PhD candidate in English  
Respondent

In today's climate of abolition—abolish ICE, abolish the police, not to mention drawing on the tradition of the abolitionists of the 19th century—and with a rise in open and unapologetic expressions of white supremacy, it is perhaps a good time to retake up the questions raised by The Society for New Abolitionists, and see where Abolitionist Futures meets a much longer tradition of abolition and offer a model of praxis for whiteness studies and antiracist education.

**Zoom Registration is required for this event. Registration deadline is September 16**  
**See our website for details.**
