Special Interest Group (SIG) Update

You can learn about SIGs on the OLLI Website. First, click "Get Involved" which is one of the topics along the top bar on the Homepage of the Website. On the drop down menu, click "Committees, Councils, and Groups." Then, locate and click on the box labelled "SIGs." On this page, you will be able to review a lot of information about SIGs and complete a proposal form if you are interested in facilitating one.

You will also be able to read about the SIGs that are getting started. We are very excited about 2 groups that are now listed: "Plein Air Painting" and "Boys Night Out-Poker." Descriptions and contact information for these two groups can be found on the [SIGs page](#).

For questions about getting involved with the SIG program, please contact Fran Leiboff, OLLI SIG Chair.
