a. [Presentation](#)

b. Contact Information: [care@stonybrook.edu](mailto:care@stonybrook.edu), or [online form](#), 631-632-2273

Questions: Presentation Copy

Q:

Q: Will anything from the CARE process be in a student's academic records?

A: No it is confidential, occasionally there may be a hold on a student's account but that is temporary and will not be on a student's record FERPA confidentiality applies

### 3. Updates

#### a. CPO

- i. Sexual Assault Awareness Month (SAAM) Updates and Events -Chris Szaraz, Associate Director CPO

- a. Peer Intern Event 5-7pm Craft and Self Care evening in the Union 106
- 5. Updates on future programs and meetings (Samantha)
  - a. Upcoming Meetings: May 3rd
- 6. Open Agenda
  - a. Solar Eclipse Viewing Party: SAC Plaza 3pm
    - i. SHWPS will have more protective eyewear/ glasses at the event

Question: Any update on the Narcan Boxes?

In the Union, by the AED machine near SASC

Did site visits in SAC and other locations, waiting for facilities to confirm

Q: Have there been any overdoses on campus?-

Not SBU Students but there are some in the community

Q: 4/20 is coming up? Are we prepared, it is a Saturday and wanted to see if there are any health professionals around if a student overdoses or faints?

CPO is doing prevention events the week prior, but if there is an emergency call  
UPD/SBVAC

Many students are narcan trained if there is an instance of an opioid overdose

Q: Cannabis, we are probably more concerned with students fainting or dehydration then overdose

SBVAC will be available that day. There is always 1 crew available 24/7, students are ready for back up calls, on a day like 4/20 will probably have more than 1 crew on call - like tonight at BrookFest will have about 16 EMT's there with paramedics
